

SUMMER LESSON INFORMATION 2021

SUMMER LESSONS: OUR CONCEPT Students who pursue their studies year-round experience faster growth and greater achievement. But we know that schedules get scrambled in the summer. We want you to be able to choose a program of summer lessons that makes sense for your family and fits your interest and goals.

HOW CAN I SIGN UP? Every student who turns in a registration form by June 1 will receive an invitation to schedule summer lessons before June 20. We'll handle sign-ups through the Student Portal (log on from "For Our Students" in the menu). If you have trouble with the Student Portal, send your teacher or Mr. Horowitz an email with your schedule request. Do not allow website problems to keep you from attending. If you have trouble, we'll do it for you!

WHAT DOES IT COST? Tuition for summer individual lessons is \$20 per 15-minute schedule block. Payment isn't due until the 10th of the following month. Full details on payments on the **2021-22 STUDIO POLICIES**.

WHAT IF MY PLANS CHANGE? You may make changes/cancellations until 48 hours before the lesson. Cancellations will remove the charge from your account. If you've already paid, a credit will carry forward automatically.

IN-PERSON OR REMOTE? The default location for all summer lessons will be "remote" but nearly all lesson slots are available for in-person instruction. To attend your lesson(s) in-person, first sign up. Then, inform your teacher that you'd like to come in-person. (Please, 48+ hours notice.) We are here for you. We are ready to meet you in-person!

TEAM TEACHING Our teachers collaborate to ensure every student has continuity of instruction. If your regular teacher isn't available every week, we'll make sure to give you access to at least one other teacher's schedule. **If you would like access to additional teacher calendars, just ask your teacher or Mr. Horowitz.** All teachers are available to all students.

IS THIS REQUIRED? No...but it's impossible to imagine any serious student taking off the entire summer every year.

CAN I SIGN-UP FOR SHORTER LESSONS? Yes...but shorter lessons make it hard to cover the student's material. If you're looking to reduce your work-load or try something different, talk to your teacher or to Mr. Horowitz.

CAN I JUST PRACTICE INDEPENDENTLY? Yes...but experience shows that most students won't.

HOW DOES THE JUNE SCHEDULE AND TUITION WORK? Our regular schedule runs through and including June 20th. During the ten-month School Year, tuition is based on ten equal monthly payments. There are between 37 and 39 scheduled weekly individual lessons throughout the course of the school year, depending on the day of the week.

NEW STUDENTS Yes, you can start in the summer and continue with us in the fall!

WHERE'S MR. HOROWITZ? I am not able to offer an online sign-up schedule this year, but I am always here for all of you, year-round! Just call or email me.

STILL HAVE QUESTIONS? Call us to discuss! Let's figure out what makes the most sense for your individual situation.
